iPadOS 16.0** or later
- RAM: - from 8 GB
- Free drive space: - from 3 GB
- Internet connection: 20 Mbps

CODDY

International Coding and Design
School for Teens and Kids

Note. Apple's requirements may change several times a year. If the application is available and installing, then everything will work correctly. Use approximately 2020 and newer devices. The best criterion is installation of Xcode for MacBook and Swift Playgrounds for iPad, which are currently available in the App Store.
