

# Installation Instructions

## JDK MCREATOR BLOKBENCH

### Minecraft Mod Development

**JDK - The Java Development Kit** distributed for free by Oracle Corporation is a Java application development kit that includes the Java Compiler (javac), standard Java class libraries, examples, documentation, various utilities and the Java Executive System (JRE).

1. The JDK can be downloaded from the official [Oracle website](#).

2. Download the executable file (executable files are marked with checkmarks):
